Benefits of Partnering with GrowthDot

Early access to updates

Be the first to know about new releases and features.

Dedicated partner support

Personal support from our team throughout the journey.

Training & guidance

Structured training and ongoing enablement.

Expand your portfolio

Diversify your offering and grow sustainably.

How payment works

Process payments directly

All payments are processed on your side.

Manage client requests

If customers wish to change their plan, they submit a request through you. (We disable direct purchasing options on the Subscription page, so your clients are marked as "managed by partner.")

Receive invoices

After a set period, you receive an invoice from GrowthDot with the adjusted payment amount.
